EXCELLENCE AND QUALITY

ALLIANCE

FACILITY GROUP

## ABOUT

Alliance Facility Group is a family-owned commercial cleaning company based in Nashua, NH, committed to creating clean, safe, and professional environments for businesses of all sizes. We provide dependable cleaning solutions for offices, commercial buildings, retail spaces, healthcare facilities, schools, and other organizations. Built on family values, we take pride in delivering personalized service, consistent quality, and long-term partnerships founded on trust, reliability, and exceptional attention to detail.

- ✔ Family-Owned Values
- ✔ Tailored Cleaning Solutions
- ✔ Consistent Quality Standards
- ✔ Professional Supervision
- ✔ Dedicated In-House Team
- ✔ Safe & Eco-Friendly Products
- ✔ Responsive Customer Support
- ✔ Continuous Team Training

- **Continuous Team Training:** Our experienced team delivers professional cleaning solutions for offices, healthcare facilities, schools, retail spaces, and commercial properties, ensuring every environment remains clean, safe, and welcoming.
- **Customized Cleaning Solutions:** Every facility is unique. We create tailored cleaning programs based on your schedule, operational needs, and the specific requirements of your business.
- **Professional In-House Team:** Our carefully selected and professionally trained staff is committed to delivering reliable service, consistent quality, and exceptional attention to detail on every visit.
- **Quality You Can Trust:** From high-touch surfaces to shared workspaces, we maintain the highest cleaning standards to create healthier, safer, and more productive environments.
- **Flexible Service Scheduling:** Whether you need daily, weekly, or customized cleaning services, we work around your business hours to minimize disruption and maximize efficiency.

- **1 – Request Your Free Estimate:** Tell us about your facility and preferred schedule. We'll review your needs and provide a customized, no-obligation estimate.
- **2 – Customized Service Plan:** We assess your facility and create a tailored cleaning program designed around your operations, schedule, and specific requirements.
- **3 – Professional Cleaning Service:** Our trained, in-house team arrives fully equipped and delivers reliable, high-quality cleaning with attention to every detail.
- **4 – Enjoy a Cleaner Workplace:** Relax while we maintain a clean, healthy, and professional environment that helps your business make the right impression.
